Note: Data on Small Business has been included from December 2000

Data on Economic Rehabilitation Package has been introduced in September 2000

(a) Refers to Net Approvals

(b) Outstanding represents cumulative disbursement of approved loans but not yet paid.

\* Includes home - lending, Northern package and Government Sugarcane grower funds

(c) The huge increase in Leasing/ Working Capital is due to the setting up of a new leasing centre.

This figure includes both old and new buildings.

(d) "Loans to Fijians" Decline due to the decline in the number of people applying for this loan.

(e) The increase in the "Commercial/ Industrial" is due to the increased demand in this sector

(f) as in (e) above

(g) The increase in "Loans to Fijians" is due to an increase in the number of people applying for these loans.

(h) The increase in the "Commercial/ Industrial" sector is due to the increased demand.

(i) no new approvals for homelending as explained in (1) below resulted in a significant drop for this sector

\*\* Loans to Fijian - These loans are specifically for Fijians and Rotumans for the purpose of the following:

Commercial/ Industrial, Agricultural, Leasing/ Working Capital, etc

\*\*\* The decline experienced in this quarter is attributed to:

1) a freeze on both lending to co-operate clients and lending for home loans as of Feb 2008.

2) the economic uncertainty weakening the loans market
