2020	140.0	85.8	11.6	49.2	37.4	6.9	330.9

Notes:

Total Values are subject to rounding off

CED - Central Eastern Division

WD- Western Division

ND- Northern Division

Commercial sales refer to sales made to other businesses including those with heavy machinery

Domestic sales refer to sales made to households

Others refer to sales made to street lights and institutions

Production data cannot be disaggregated by Divisions and will not equal electricity
