Notes:

- * Include Ex staff and staff loans, term deposits - foreign currency, and foreign equities.
- [a] The reason for the huge increase in the Term Deposits is due to the shift from investing abroad to investing locally.
- [b] The reason for the increase is due to new loans given for Tourism projects.
- [c] The increase in Investment properties was due to the completion and transfer of assets.
- [d] Repayment and non insurance of loans led to the decrease.
- [e] Decrease is due to repayment of loans and reclassification of few loans to investment property.
- [f] Reclassification of few loans from mortgage loan to investment property.
- [g] Increase is due to investment on Foreign Equity.
- [h] Increase is due to new investments and maturity of term deposits.
- [i] The significant increase is mainly due to transfer of loans.
- [j] Decrease is due to loan repayment from a subsidiary.
- [k] Increase is due to purchase of a telecommunication company.
- [l] Decrease is due to decline in Term Deposits held in foreign currency.
- [m] Increase is due to purchase of new local and offshore bonds.
- [n] Decline is due to maturity of deposits.
- [o] Increase is due to additional loans to FNPF investment.
- [p] Increase is due to purchase of additional shares in telecommunication company.
- [q] Increase is due to purchase of assets.
- [r] Increase is due to loans to private sector.
- [s] Increase is due to purchase of new additional share and further investment in existing companies.
- [t] Increase is due to short term investments.
- [u] Increase is due to property renovations.
- [v] Increase is due to the acquisition of new equities in the tourism industry.
- [w] Decrease is due to payments and decline in domestic equities.
- [x] Decrease due to repayments and sale of offshore bonds
