Notes: [1] From 1996 figures relate to calendar year and not seasonal, therefore may not necessarily tie in with sugarcane production data given in table 4.7

[2] Does not include virginia tobacco used for twist tobacco.

[3] For animals killed in slaughter houses only.

[4] Refers to the output of registered chicken abattoirs only and includes dressed chicken as well as sales of live chickens.

[5] Estimates of fish caught inside Fiji waters excluding 'subsistence'. Data not available from the source.

[6] Includes rejects, planting ginger rhizomes and diseased ones.

[7] Sales to NATCO.

[8] Includes animals killed in slaughter houses and estimated 'subsistence' production. Quarterly estimates are not compiled by the Agriculture Department. From 2004 only slaughter house killings are given.

[9] Data on eggs have been revised due to the new weight conversion from 636 grams per dozen to 694 grams per dozen.
