

STATISTICAL NEWS

FBoS Release No: 60, 2018

5th September 2018

FIJI'S GROSS DOMESTIC PRODUCT (GDP) 2017

The provisional estimate of Gross Domestic Product (GDP) at constant basic price for 2017 shows an increase of 3.0 percent over 2016. The GDP value of \$6.9 billion was estimated using 2011 prices and reflects the net value of goods and services produced in Fiji. The information used in this release is sourced from surveys and administrative sources.

The economy's expansion in 2017 was driven by positive growth contributions in the following industries:

- Wholesale & Retail activities contributed 0.6 percentage points;
- Agriculture and Finance & Insurance activities contributed 1.0 percentage points;
- Construction, Accommodation & Food Services, Information & Communication; Real Estate contributed 1.2 percentage points; and
- Public Administration & Defence and Education contributed 0.4 percentage points.

There was contraction in the following industries: Manufacturing and Transport & Storage activities.

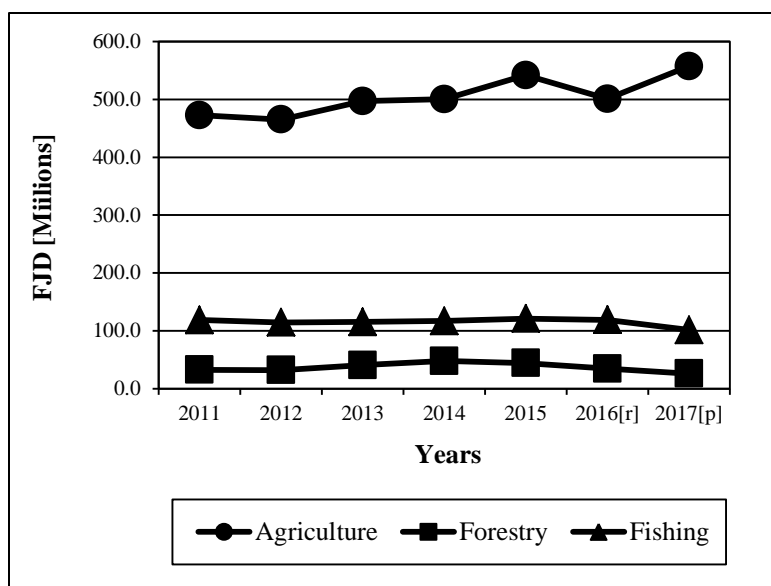

Further details are provided in Table 1 on the following page.

Table 1: Contribution to Growth from 2012 - 2017

2017 Main Movements by Industry

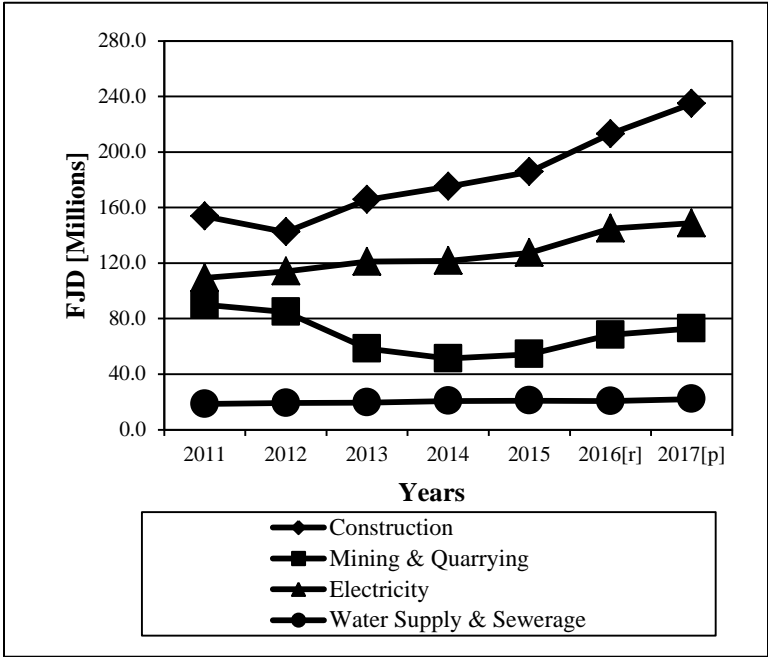

Graph 2: Agriculture, Forestry and Fishing

Agriculture was up 11.3 percent due to higher production of yaqona, sugarcane and cattle. **Forestry** contracted by 25.2 percent due to lower production of native and mahogany logs. **Fishing** was down 14.6 percent mainly due to decreased production of big-eye tuna, beach-de-mer and marine aquaculture.

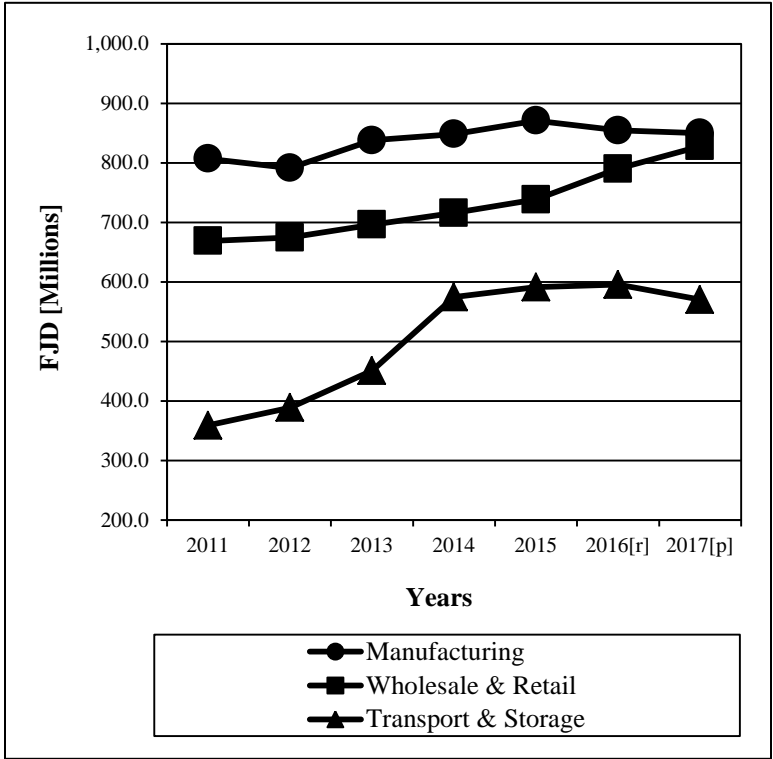

Graph 3: Construction, Mining

& Quarrying, Electricity and Water Supply & Sewerage

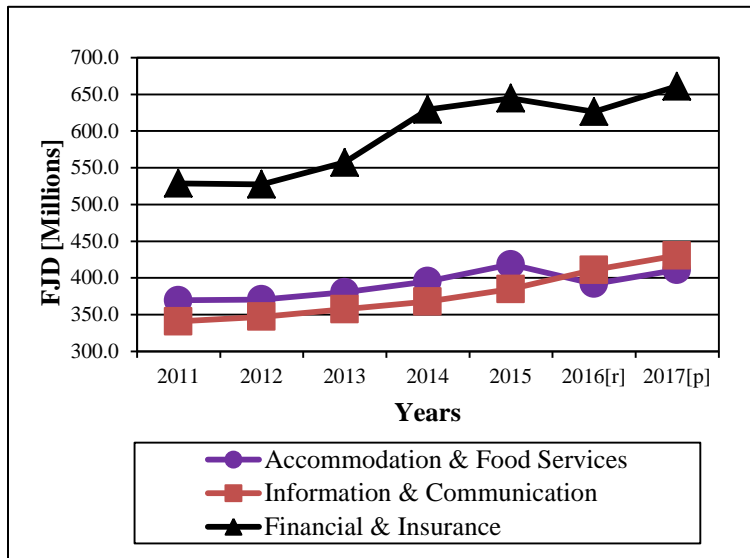

Construction grew by 10.3 percent mainly due to increases in non-general government and informal activities. **Electricity** was up 2.6 as a result of higher electricity production while **Mining & Quarrying** recorded an increase of 6.7 percent mainly due to higher gold production. **Water Supply & Sewerage** grew by 7.6 percent resulting from increased supply of water.

Graph 4: Manufacturing and Wholesale & Retail & Repair of Motor Vehicles & Motor Cycles and Transport & Storage

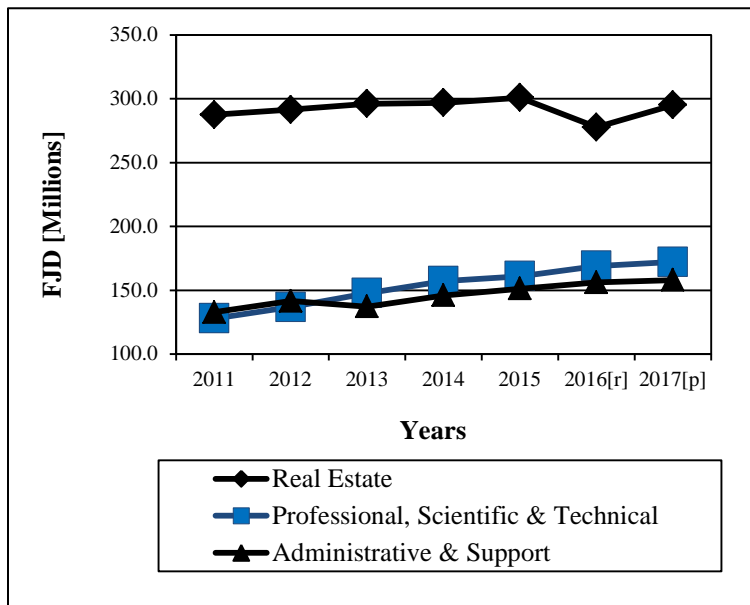

Manufacturing was down by 0.5 percent due to lower production of fish, crustaceans & molluscs; wine, malt liquors & tobacco and sawmilling & planing of wood. On the other hand **Wholesale & Retail Trade** recorded a growth of 4.8 percent, driven by an increase in the wholesale of solid, liquid & gaseous fuels & related products; automotive fuel; and sale of motor vehicles. The **Transport & Storage industry** was down 4.3 percent due to activities of passenger air and freight transport.

Graph 5: Accommodation & Food Services, Information & Communication and Financial & Insurance

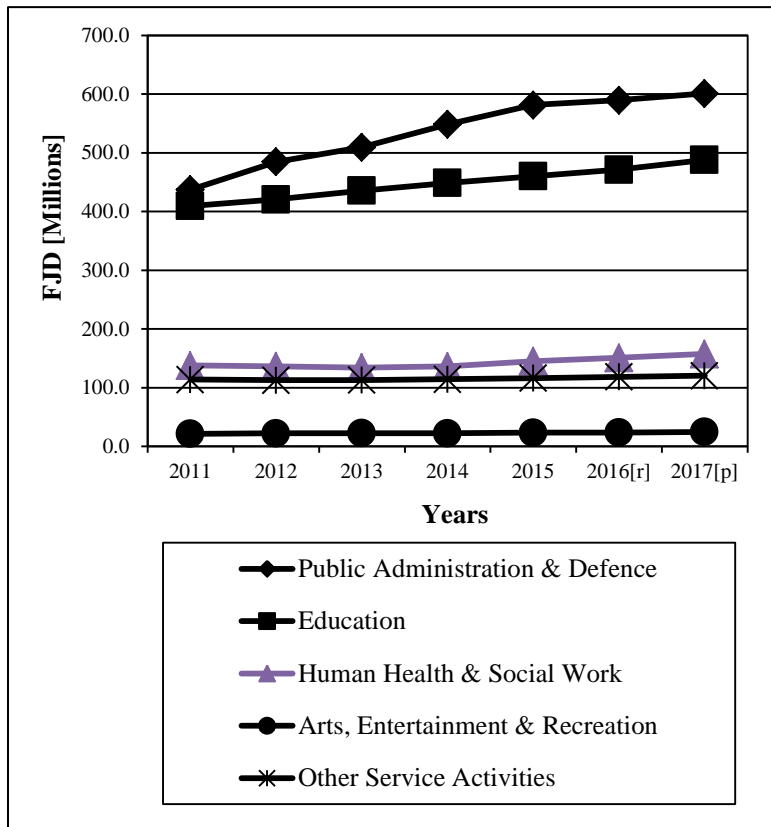

The **Financial & Insurance industry** was up by 5.5 percent due to an increase in the activities of other monetary intermediations. The **Information & Communication industry** grew by 4.8 percent as a result of an increase in telecommunication services. The **Accommodation & Food Services industry** recorded a growth of 4.8 percent as a result of an increase in accommodation services.

Graph 6: Real Estate, Professional, Scientific & Technical Activities and Administrative & Support Services

The **Real Estate industry** was up 6.3 percent resulting from an increase in the value of owner occupied dwellings. **Professional, Scientific & Technical Activities** was up 1.9 percent. The growth in Professional, Scientific & Technical activities was mainly due to an increase in legal, accounting, architectural and advertising activities. The **Administrative & Support Services industry** recorded a growth of 1.2 percent driven mainly by increases in the activities of travel agencies and tour operators.

Graph 7: Public Administration & Defence, Education, Human Health & Social Work, Arts Entertainment & Recreation and Other Service Activities

Public Administration & Defence was up 2.0 percent as a result of an increase in general public administration services. The **Education industry** grew by 3.5 percent due to increased student enrolment in primary and higher education. **Human Health and Social Work** grew by 4.3 percent resulting from growth in the human health activities of general government. The **Arts, Entertainment & Recreation industry** recorded a growth of 3.5 percent due mainly to an increase in libraries, archives and other cultural activities. **Other Service Activities** grew by 1.7 percent resulting from an increase in activities of membership organisations.
